

## Guidelines for Direct Admission to the Ph.D. program of Department of Mechanical Engineering, National Chung Cheng University

1. Undergraduate students in their final year of study or graduate students who have been enrolled in a graduate program for at least one academic year with good academic achievements and research potential may apply for the direct admission to the Ph.D. program.
2. Applicants need to submit the following documents to the department office by the deadline announced on the department's website:
  - (1) Application form;
  - (2) A Transcript of the Bachelor's or Master's program in each academic year. Graduate students need to submit transcript of Bachelor's program;
  - (3) Two or more letters of recommendation from professors, one of which must be provided by advisor.
  - (4) Research proposal;
  - (5) Research results or supporting documents.
3. The application documents are subject to review by the admission committee of the department. The result of the review will be sent to the president for final approval through the Office of Academic Affairs.
